To all N. A. C. Members

★

Following the Los Angeles convention we will make available an edited transcript of the complete lectures given during the scientific program. This valuable material will be permanently bound in an attractive printed cover.

Our representatives are attending this meeting and we would like to ascertain the number of books which the membership wishes to purchase. We therefore ask that you place your order now or send it to us as soon as possible. The price of the transcript will be determined when we know how many pages it will include.

AUTHORIZED BINDERS FOR JOURNAL of the N.A.C.

In response to many requests from members for binding copies of the journal, arrangements have been made with a capable bindery which will provide to our specifications the best bound volume at the lowest possible price.

Twelve copies will be bound in a single volume (only complete volumes can be accepted—the twelve issues from January to December). The best grade of washable buckram with distinctive gold stamping on the spine and the member's name on the front cover will be provided at $3.30 per volume.

Full remittance must accompany order. Bound volume will be returned transportation prepaid.

Member must send complete volumes — small shipments by parcel post—large ones via prepaid motor freight to:
